L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101 to 3108), hereinafter “the Act”. The overall purpose of the Act is to provide comprehensive and reliable information pertaining to international investment, including direct investment, and to do so with a minimum of burden on respondents and with no unnecessary duplication of effort.

(b) Such reports may be required from among others, U.S. persons which have direct investment abroad, U.S. persons in which foreign persons have direct investment, U.S. intermediaries, and U.S. persons which assist or intervene in the purchase or sale of direct investment interests, such as real estate brokers and brokerage houses acting as managers of tender offers.

§ 806.4 Response required.

Reports, as specified below, are required from all persons coming within the reporting requirements, whether or not they are contacted by BEA. In addition, any person BEA contacts, either by sending them report forms or by written inquiry concerning the person's being subject to the reporting requirements of a survey conducted pursuant to this part must respond in writing. The response must be made by filing the properly completed report form, or by submitting in writing, or within 30 days of being contacted, a valid exemption claim (including the situation where the statistical data requested on the form are not applicable) or by certifying in writing to the fact that the person has no direct investments within the purview of the Act or the regulations contained herein. (b) Subject to paragraph (d) of this section, the President may authorize the exchange of information between agencies or officials designated to perform functions under the Act.

(c) Nothing in this part shall be construed to require any Federal Agency to disclose information otherwise protected by law.
